**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

We use our internet service extensively being in a rural mountain town. Our local broadband providers are critical for this service. If anything we need more competition rather than less, to give us some freedom of choice.

The community needs price options rather than being beholden to price hikes from fewer providers.
